As per the decision taken in the review meeting held on 01.03.2021, it has been decided to review the offering of post institutional training to the passed out VNC/MFC students. Accordingly, it has been decided to revise the existing surety bond for institutional and post institutional trainees and implement the same from 2022 admission onwards.

**The existing system of solvency certificate or surety certificate from permanent Govt. employee is dispensed with, so that the candidates need not have to search for a permanent Govt. employee or Tahsildar to sign the solvency certificate**

**VNC/MFC trainees**

1. The validity of the surety bond of VNC and MFC trainees is extended from the existing 2 years to 3 years in order to provide post institutional training immediately on completion of 2 years trade courses. The surety amount is also reduced from Rs.20,000/- to Rs.15,000/- so that the passed out trainees can join the post institutional training without much financial burden.
